TORU T GABRIEL

FULL-STACK DEVELOPER

<https://temidayo-gabriel.com>

PROFILE SUMMARY

Ambitious full-stack developer with a focus on front-end development, currently freelancing and seeking opportunities to work with modern technologies. Skilled in problem-solving, teamwork, and constantly improving to deliver impactful solutions.

WORK EXPERIENCE

Freelance

03, 2023 - PRESENT

Web Developer

- Designed and developed responsive websites and web applications for clients, ensuring cross-browser compatibility and user-friendly interfaces.
- Collaborated with clients to gather requirements and deliver customized solutions tailored to their business needs.
- Implemented e-commerce functionality, including product listings, shopping carts, and payment gateways.
- Built full-stack applications using React for the front end, Node.js, and Express.js for the back end, and MongoDB for databases.
- Optimized website performance, improving load times and ensuring scalability.
- Debugged and maintained existing codebases to enhance functionality and resolve issues efficiently.
- Managed multiple projects simultaneously, demonstrating strong time management and organizational skills.
